Grant me a wind fortunous field, with your power may riches yield.

Take a little of the candle wax from both coloured candles and drop it on to your photo. Place your lodestone in the mould. Sprinkle a pinch of the herbs and powder over the mixture. Wrap it all tightly together and place it into your “gris gris” bag. Hold the paper money and the completed cheque in your hands and chant

(Chant 3 times)

“Paper money come alive – Let my fortune start to rise.”

Place the paper money into your bag and pull the strings shut. Pass the bag through the incense smoke and say,

“Harming none on its way, Bring me fortune here to stay!

Across the sky, heaven and earth, Harvest me money on this nights re-birth.
